1pm is fine, but Jeff has a hard stop at 230pm. Should be fine for an intro, and to give Jeff a good idea of what's needed to fully protect your rights. And yes, you should retain us prior. Bring a check payable to Bracewell + Giuliani for 75,000 dollars, or wire the funds in prior to your arrival. I will forward to you the wire instructions a little later today. Thanks.

Yes I am free then. Can we make it for 1pm NY time? Does that work? Also do I need to officially to retain you prior?  
Thanks  
G

Ghislaine - The head of our IP Practice, Jeff Whittle, copied here, is available tomorrow for a video conference to discuss the patent issue at any time between 1130 and 230 tomorrow. Can you make it during that window?
