I have decided to please R as well as make an investment by buying an apartment in Rio (we will go for Xmas and New Year). This particular apartment was bought off plan by someone who is now re-selling. He is asking 5m rials but will have to negotiate. How do I know whether this is good option, and get into negotiation now, before going to Rio ?

Rei,

Segue mais uma opcao em Ipanema. Os dados estao abaixo.
O dono quer 5 milhoes, mas se chegar junto ele abaixa com certeza.
Nao sei se interessa.
Este apartamento ja esta pronto.

Beijos,

Lu.
