I have said that I will be inspired by the picture and deliver a Markzeff cabana inspired by the picture you liked....a 'copy' per your suggestion.

Not sure where the issue is.....agreed to do that from the get go.

All I asked for was accurate feedback and a clear mission.

What might be a problem is the renderer's availability at the moment

Kitchen bids are coming in...have two as of friday
I was traveling so have not reviewed them.
Renderer has not been funded as yet
So no progress on that.
