Dear Lesley,

Thank you for your email. I do apologize for the delay in responding. Erik Broadrick who handles Stephen Wolfram's schedule has been away but will be back today. I have copied him on this email so that he can follow up.

We are still trying to nail down Dr. Wolfram's schedule for his visit to

New York, but it is looking very tight. Is there a specific topic or agenda that Mr. Epstein is looking to discuss?

Best wishes,
