Subject: Trade idea

Jeffrey,

I hope you had a nice long weekend.

Over the past 6 months, our Mexican clients have been playing the range - buying MXN above 13 and selling MXN below 12.60. USD/MXN has rallied over the past week from 12.93 to 13.05. I'd like to sell at the money forward MXN puts that knock in at 13.40 and knock out at 12.75. If this range holds the puts will knock out.

Let me know.

Jeff
