On Virgin Atlantic, for tomorrow night they have a flight which leaves at 6:15pm, arriving Heathrow at 6:35am. The "upper class" with flat beds are \$6,300 per person one way.

There is also a 7:30pm flight arriving at 7:50am, and a 10:30pm flight arriving at 10:30am. These 2 later flights only have 2 seats left in the upper class cabin. (otherwise they have Premium economy seats which are similar to business class for \$1,600)
