Lesley

No details of rooms at the resort are available suffice it so say that he will have accommodation and we have noted his preferences- however as Ive said before its a juggling act we have the whole resort so there will be no room booking reference or anything issued. I will not be advising you further on this point Please let us know as soon as possible his flight arrangements so that we can adjust ground transportation from and return to Abu Dhabi airport.

Kind regards  
Mary

Hi Mary...Jeffrey is asking if any details have become available for his room at the resort? Also, we may have a change of plans for arrival place and time. It is possible Jeffrey now flies commercial and arrive Abu Dhabi airport instead of Dubai. I will get back to you as soon as I can. In the interim, if you know something on the room, would be great to hear.

Completely understand on room availability as well as helicopter. We will stay posted to hear from you further.

Thank you,

Dear Lesley

Room is tight at our forum, I will see what we can do to accommodate and have noted that they are fine to share a room.

We will need to book their accommodation where we have availability, villas are reserved for the Foreign Ministers and we are still allocating rooms as the invitees details are being forwarded to us. You understand of course that [REDACTED] will not take part in the forum activities as this is strictly by personal invitation only for high level Foreign Ministers, business attendees and speakers and is being held under Chatham house rule.

With regard to helicopters we have (hopefully) secured the only available helicopters to take our Foreign Ministers in and out of the resort whilst advisors and other attendees business contributors, speakers and moderators will all travel to and from the resort by road in cars we have arranged and have been authorised by our Security services..

Seats in helicopters are very limited in availability and until we have all the timings of the arrivals at Abu Dhabi airport and prioritised I cannot say that there will be available space on a helicopter for Mr Epstein and [REDACTED] from where their aircraft lands (need to know this too please as there is a different airport for jets usually used by private aircraft) - please keep me advised of arrival and departure time and whatever happens we will ensure we will get them to the resort and back to their aircraft on 8th November (or when ever they plan on departing).

Regards  
Mary

Mary, Jeffrey is wondering if it would be possible to charter a helicopter from the airport in Abu Dhabi and fly to the resort instead of drive.

Also, not sure on the protocol, but Jeffrey is willing to pay for a suite or a villa and says it is fine for him and [REDACTED] to share a room. Please let me know if a suite or a villa would be available for them.

Thank you, Lesley

Also, please let us know if you require [REDACTED] passport as well. [REDACTED] is also working on a head and shoulders picture of Jeffrey. Do we need to make reservations at the resort? Dear Lesley

I understand Jeffrey Epstein will be joining us at the Sir Bani Yas event - we will need a copy of his passport and ideally also a head and shoulders photo sent as soon as possible please as security clearance is being arranged currently for all attendees. I understand from Fabrice that Mr Epstein will be arriving into the UAE by private jet, please let me have details of the tail reg number and arrival details so that I can arrange for a car to pick him up and take him out to the resort - also return details please.

Many thanks  
Mary

Dear Lana,

I was informed yesterday that Terje, after discussions with HH, has invited Mr. Jeffrey Epstein, Chairman of Financial Trust Company, Inc to participate a business participant at Sir Bani Yas.

With apologies for this last minute addition, Terje would like that Mr. Epstein be added to the list of participants. He will travel in his own

plane to Abu Dhabi, so no tickets are necessary, only accommodation for the duration of the forum. We will follow up with Mary and put her in contact with his assistant.

Terje sends his best regards and thanks for your understanding.

Best,  
Pim
