jeffrey in looking up what melanie does i see how absolutely perfect it is for me
. your ability to recognize what is right for me can be so right on, and i
realize how i have to have a deeper trust in that.

i can see that if we connect well , it's something i can commit to now and into
the future.

i also realize what you were asking of me as to when it was good for you and
recognize how I was not attune and responsive to you, and that's a part of
reworking the foundation upon which i function.
