Jeffrey it was wonderfull you have not lost 1 friend ,you have your health and all your dough,A tempest in a tea pot.Now for the serious stuff I want you to go on Monday and buy Ghislaine the most expensive piece of jewellery you have ever bought anyone in your life and on the card say To my friend .companion and lover,it might have been very confusing but my heart was never far from your side.She needs to hear this from someone right now and it would make her wonderfully happy if it was from you,,so do it Jonathan
