I need to know who will be escorting you to Harvard. I have many things to tell the person travelling with you.. [REDACTED]? [REDACTED]? [REDACTED]?

Also, Martin is asking if he will have time alone with you? He also wants to make sure you meet with Corrina. Ok to schedule separate time for them? or maybe them together?

MOST IMPORTANT!! Mandelbrot requested to meet early afternoon...this would take you away from the 1 Brattle Square and then I think you would have to go back to continue meetings...or is it ok for me to ask Mandelbrot if you can meet him say 5pm at his home...I'm not sure if you wanted to accommodate his request of early afternoon which to me means like 2 or 3:00...

Please let me know as soon as possible...

Thanks, les
