Place: The Westin Providence
Providence, Rhode Island

Fee: $595 thru July 15th
$695 July 16th or later

Waterplace Park & Riverwalk, Providence

Keynote Presenters

████████████████ is Professor of Supply Network Dynamics at Tilburg University in The Netherlands. ████ has been developing system dynamics models with major companies from the aerospace, electronics, telecom and life sciences industries for almost 20 years.

████████████ is a math teacher at Wilson High School in Portland, Oregon. Her primary interest for the last 20 years has been learning and teaching using system dynamics in the classroom.

████████████ has been described as one of the "unsung heroes" of the dynamic modeling community. With 25+ years of experience in applying and teaching dynamic modeling, ████ has a broad range of knowledge and experience.

████████████ is Roy F. Weston Chair in Natural Economics, Founding Director of the Center for Integrative Environmental Research, Director of the Environmental Policy Program at the School of Public Policy, and Founding Co-Director of the Engineering and Public Policy Program at the University of Maryland.

████████████ is Founding Chair of the Society for Organizational Learning (SoL) and a senior lecturer at MIT. The Journal of Business Strategy named him a "Strategist of the Century," one of twenty-four

men and women who have "had the greatest impact on the way we conduct business today."

The isee User Conference is a great opportunity to share experiences, learn new skills, and connect with experts. The two and a half days will be filled with *iThink* and STELLA application stories and case studies, round table discussions, poster sessions and hands-on workshops.
