Jeffrey i am so happy you still have me on your mind sometime! Thank you very much!it means a lot to me! I do the same!and I miss you very much!the vacations are coming soon,definintely i would have an opportunity to leave for a while! would be wonderful to vist you and [REDACTED]!

Everything is going well, the exams session have began, the good wheather finally have visited Lithuania, it brings me out in the nature! I love Nature! as usual I have some invitations to play in performances and advertisements...but i always think what i am going to do next!

You never told me how was meeting with [REDACTED]! does she work for you? do you like her? should i have keep my eyes wide open and look for someone who would fit better?

I miss to travel and see different things, here everything had lost its value...but i am trying to refind something beautiful and goog for me and others!

By the way, i had an opportunity to spend two days with COMPLEXTIONS , the ballet company from New York! [REDACTED] and his partners were a promoters and i was their asisstant! i met wonderful people!specially [REDACTED] and [REDACTED]!The permoramnce was miraculous!i never seen nothing so perfect and beatiful on the stage! this experience gave to me a lot:i was confronted with organizations, communication, care...i did like it so much! they said that it was the best tour location and the best greeting they had on this tour! i am so happy i was needful and helpful! [REDACTED] asks me to come in new York on July and participate in workshop with complexions! so if i do deserve to be in U.S. at this time i will attend the classes with a big excitement.

Lots of love !huge kiss and hug!
Always yours!
