Title: Television Company

Jeffery,

I'm sorry that I missed you in New York last week.

Now that I've resolved my film company deals, I've given a lot of thought to how to best approach a successful television strategy. It does not include making a deal at Warner Bros. as I had planned. Its far more lucrative for me to remain independent and make the best deals as I sell to networks and cable outlets.

I can explain more about the financing and strategy if you were interested.

Please let me know.

Best,  
Barry J
