I am really sorry to hear that as we were really looking forward to his attendance. I will ask Jeffrey Epstein what he thinks and get back to you.

Dear Larry,

I was just able to meet with Craig to review his calendar and he truly apologizes however he must decline your invitation to the Virgin Islands. He really wanted to attend and was hopeful he could move his schedule around but he just can't. I apologize on his behalf as he wishes he could be there. Would it be helpful to send someone else on the Science Team?

Best,
Lisa

hi.. we had to finalize Ritz hotel in ST. Thomas reservations today, so I have put Craig down on the list as it sounded likely from past emails..

Hi Larry, Craig will be back in town next week and this is on our list of agenda items to review/discuss. We are hopeful that his upcoming travel plans and schedule for November will allow him to attend. You'll hear from either Lisa or myself very soon.

Best regards,
Michelle
