Hi Jeffrey

So I am putting a little group of girls together. Hopefully one of them will have all the right qualities you desire. wish I was twenty years younger and could speak French!!! I have to say that a few of my girls, who would be perfect for the job but are unfortunately past their sell by date, would of all dropped their husband and almost children for the job when I asked them. You know I've just had a spark of genius while writing this, I think I may have the right girl..... Can't wait to see you, I think I'm going to take you on a little studio adventure to, not to long as I know you get bored easily!!!!

I Have never thanked you for my stay properly, witch is very naughty of me but I hope we will all have some fun in London!! I really did have a wonderful time with you, thank you so much.

Lot's of love  
Annabelle
