Thanks, Gary. Please send me the signed Work Authorization, and the sketch, and we will get moving ASAP. I will look into the week of 10/11, but that week is our annual Partners' Meeting. The week of 10/18 may be better, if that works for you...

Warwick

We got hit by earl but are up and running .

Jeffrey came in and we're ready to begin .He authorized the payment of your last invoice and my executing the agreement and the deposit.You should be getting a wire shortly.I will forward a sketch of the latest thoughts and would like to schedule you and your architect to the island the week of Oct.11.

Please see if that fits your schedule and advise.

Thanks

Gary

Just checking in. Hope you are doing well, and past the worst of the hurricanes!
Any idea when you will want to get the re-design effort started again?
