Story party)	Maybe (depends on work. He will try to get off for the
Jean Luc Brunel	Maybe, he might be in Europe

\*\*\*Steve Hanson wants to make double sure it is ok for his kids to come. He does not want to make anyone else feel uncomfortable. Are there any other children coming? His kids love you and would like to attend as well, but he does not want to impose. His wife definitely wants to come either way. Please let me know if other children are coming...and if you really wish him to bring them.

\*\*\*Do you want me to cancel David the caterer if we are going to use Ryan?

\*\*\*May I tell Miho Florist we will still be using them, but it will be a more intimate party now?
