Subject: Tuition

Jeffrey,

I have not received an answer or indication from you on this subject so I have to assume that it is no. If that is the case, I will need to negotiate a raise so that I can afford to pay for my children's tuition at college. John and I have put money into the campaign based on what we thought was going to happen with the tuition payments. JP, my oldest, is a senior this year and I do not want him or my daughter to be asked to leave school this semester.

I understand that you are going to Europe for a few weeks and I need to get this resolved since it has been over a month that I have asked about it. Please let me know how to proceed or should I just send you what I think is a fair salary increase?

Cecile
