Subject: dates

Great talking to you, as always indeed!

This Friday (9/10) I will be in NYC after 6-7pm, just in the case that you change your plans and arrive to NYC!

I leave for China next day 9/11 and will be there through 9/30. Getting sick already of thinking how many days there.

Sam will be in NYC all the time except next Thursday/Friday morning.

With Bill – October 14 in NYC is canceled. I will know soon November date and will let you know.

I will let you know dates re Paris by Wednesday next week.

Have fun – in my name as well! ;)

Boris
