Was productive) met EVERYONE I know in NY... Even B's driver and Micky Rurk were at the party)) then went to Provocateur)

Was hard at the beginning cause everyone asking about B, apparently he hadn't told anyone... But made some useful connections with russian and Brazilian girls))

Miss you!!! Are you coming back on friday or Monday? Ashley is leaving on Sunday to LA...

Going to sleep a bit late tmw cause just got home and had 3 red bulls during the evening)
