Lawrence,

I do not think that we can change dates since we are locked in with the hotel. I checked dates in January and it is booked solid. December is difficult as well but you did not give specific dates.

Subject: November

Jeffrey and Cecile:

There are a few advisory board members who have conflicts Nov 12-15th.. I am considering choosing two alternate dates and presenting the committee with the three possibilities and seeing when we can get the best turnout. Before I did this, I wanted to check with you both to see if this was reasonable and doable, namely whether any commitments had been made at hotels etc.. and also to check your schedule Jeffrey.. I was thinking of one date in say, early or mid december, and one date in, say, first two weeks of Jan..
