**Subject:** aston shipping

the car is at miller aston martin in connecticut. they say their shipping company can't get it to me for 2-4 weeks since they don't have a "load" till then. they are charging \$1995 (inclusive door-to-door) and i have my own insurance (as soon as the VIN gets to my insurance dude).

so if you have ideas for super super safe and reliable shipping companies that can get it here for same price and sooner, let me know?

and if you want to stop by and see the car it's in greenwhich, ct

**From New York:**

Take I-95 North into Connecticut to Exit 3, Arch St. At the end of the ramp turn left and go under the highway.

it's gorgeous (like me, duh)

HAHAHAHAHAAHA!

i'm excited!
