Title: Vladimir/Naomi

They flew back tonight to New York. Call him. They are there for two weeks.
He was very nice to me...and Naomi was nothing like her publicity. We did not stop talking for two days...she know as many people as I do...and she was interesting about her world travels...

I am having a spectacular time. Wednesday and Thursday I was with that lunatic Angela Ismailos, the Greek filmmaker who invited me to Patmos. Then she left and Peter Brant took over taking me all around with Tony Shafrazi, Laurence Graff, Naomi and Vladimir (boy did I save on \$100.00 water taxis).

Sunday Laurence Graff is taking me to a grand Palazzo for lunch and regatta watching...and probably see a film at night...Monday I travel.

The hotel is devine. The pool is enormous.
Service impeccable...
Venice is beyond beautiful this time of year...what more could I ask for...
Where are you?
xoxo Peg
