Sweet [REDACTED]!

I cannot even tell you how I feel this morning after what you did yesterday. I know it may seem as a little surprise but when I gave more thought to it I almost wanted cry from excitement. You are so sweet to think how to make me happy and yesterday you did. I love you and cannot tell you how happy I am that you are here now and we are close again. We laugh and talk about thing we can only talk about.

I admire our friendship.

Love you and looking forward to for years to come where our friendship will flourish.

Love you more than ever
