Jeffrey, I don't understand what this is about. I am not sure why you want to go to a restaurant if you hate them or what it is you are thinking. You can just tell me where to be and I'll show up. It makes no difference to me if it's on the street.

I did expect a response last night as I had to cancel my plans at the last minute not to embarrass you. I do hope you enjoyed your evening.

PS: I will be in Palm Beach tomorrow so if you need something from there let me know.
