Hi Sweetie, seems like we been parted for way to long! Spoke to Charlotte and taking her to McQueen on Friday.
Ok now down to it, so i've found you 5 new young artist and I think their all good and interesting but of cause as
always' let's see what the master commander thinks!!!!
Next pullet points
1.I want, with Francesca to propose commissioned works for you directly with Artist.
2. We can definitely work closely with artist so that we can guide them to make really incredible works, I know
you want to be a part of this process to.
3. We want to continue the conversation on the Zhang HUAN last super and I'm sending you two of his new works
That he has done in ash, with fighting tigers, i think there great! I think we can potentially work quite closely with this
idea and artist, also i think it could would be amazing particularly in a dinning room.
Babe I want to start working with you on this strate away, let's not mess around, We'd like to bring the Breughel/chapman over to NY and view the work together, we've worked out the shipping cost and it comes in ruffle just under 10k. Then we can look at the other space's and also start to think about the island. Eric Wright who you met with me has thought up a great possible French interior designer, as has Francesca, with another possible, that we think you should have a look at.
As for the Island peace, there would be no problem for us to commission a Richard Long but there are many possibility's and i know you have your own ideas, least of all it's got to be stand alone amazing!!!

We know one of the really exciting things for us and i hope you is that we can commission works directly with artist and i think we can have a lot of fun together doing this!

5 new young artist
Afif Ozakea
Lawrence Owen
Andrea Latham
Flora Scymgeour

Henry Byrne

Big kiss, hope this all make sence, sorry about the spelling!!!! sending some works to follow. Love and kisses
AX
