bought from a dealer in NYC and the lady salesperson told me that the old guy (who died last week) previous owner was a "noodnick" and that the car was in perfect condition.

i had to ask her what a noodnick was. you and steve wouldn't tell me.

she helped me with some yiddish. she also told me that you and steve were schlemiel and schlamazel for "yanking my chain"

this menopause stuff hasn't been fun. i figured why not.
