[REDACTED] will be staying in 4M June 6-8...she would like to meet with 2 people in the apartment...that's ok, correct? (see below)

There are two people I'm having lunch with, and meeting with for a couple of hours in the afternoon. It's okay to bring them to the apartment to meet, yes? Probably 2-4:30. Easiest for me, less taxi'ing around....
