Hello Lawrence (and Jessica!)

I'm sure our pilot will arrange for a car to pick up Jeffrey and his crew...where should he go? Need address and phone number please...

On the list for security reasons should be:

Jeffrey Epstein  
Igor Zinoviev

They may not all go with Jeffrey to visit the Biodesign center, but I want you to have their names just in case.

right now, since I haven't heard from you, I am assuming you are arriving at 11 a.m. If you arriving earlier good.. Some questions:

1. do you need to be picked up at airport? If so, how many people?
2. I need names of people for visit to Biodesign, which is high security
3. I am arranging meeting several interesting people and places as well as talking to me.. these include (possibly) some of or all of: biodesign facility, Inst. for Human Origins researcher Curtis marean's lab whose recent discovery of use of tools 4.2 million years ago, and Manfred Laublicher, theoretical biologist who is from the Martin Nowak camp in Austria, tour of our mars facility and the largest meteorite collection in the world.. the decision theater etc... OK?
