Of course I am having fun! In fact I liked Eduardo so much that think about him all the time now, didnt feel like that about a man in a long time its crazy.. If you speak with him can you please tell him that I had very special time with him! And now I am in London.. I hope I will find all girls numbers today through email, do you need tomorrow or tuesday? And Jeffrey thank you very much again for everything! By the way here is my temporary number [REDACTED]. My old number will work only when i am back, you see how much fun I had with Eduardo that I even start loosing things)
