Jeffrey,

I'm on my way to ABQ now, -there is jet fuel in Moriarity according to Airnav.com, I will confirm it is available for us today.

-i will have Nick look at gym stereo he arrives tonight, or when I return wed or thurs., I'm swapping out the gear on the Bell 407 to remove floats, we have two landing gear skids for 407, one with floats and one without, it only takes 6 hours for the change. I'm going to have completed monday or tuesday at latest.

-i'll check out Gunnison to Nyc, I think we'll be ok on that, will check runway length and performance.

-Darren is going to help me with 407 to ranch also.

Thank you,

Larry
