Subject: Bill to my house

Since you will be away next week, I would like Bill to come out to my house. I spoke to Bill and he feels (I agree) that I should be at my house the day he comes. What day would be good for you to have me stay at my house with Bill next week? Bill says any day (accept for Monday, it's Labor Day) would be good for him.

Please let me know if you have a preference of a day that Bill and I work at my house

Thanks, lesley
