Good morning! Tried to call you, but you're answering machine doesn't come on. Just wanted to make sure you have someone picking you up in the Hamptons today. I have given Jojo the address to David Kochs house and told him to pick you up at 10pm tonight.

Also, [REDACTED] told me that she saw [REDACTED] come into 71st on her own yesterday with a code. [REDACTED] asked her if someone had given her a code, and she said no, she just watched someone enter the numbers. [REDACTED] asked her what code she was using, and it was Jojo's code. Rich Barnet is changing Jojo's code now, but thought you should know what happened.
