Jeffrey,

Darren wanted me to confirm with you, our intension's if we lease hanger space from Cleo in St. Thomas. would you want the ability to build a small office in the hanger where we will store either the S76 or Bell 407 in St. Thomas?

If space is permitting, we could use this for records and maintenance supplies for all the aircraft etc..I would ask Cleo for use of one total wall for the ability to build an office or rest area at some point in the future. do you have interest in this idea?

I plan to inspect the hanger on arrival Friday,

thanks,

Larry
