Hi from Aspen.. I really hope you can come here..
been in touch with Nancy.. I spoke to her about what I spoke to you about since she is honest and
very smart, and also very realistic.. she had a bunch of questions.. but she just landed in
Tasmania and sent me a text that said she had been thinking about you and I "being a good pair"..

anyway, I take that comment seriously.. and do want to continue to discuss this as I honestly
think it is both a good fit, and a win-win.. and Jeffrey, I honesty wouldn't say it if I didn't think it
was true.. as I said in the car.. I wouldn't do that to you, and I wouldn't do that to me.

best

LMK
