Good evening! So we went to the **Actun Tunichil Muknal** cave today. It took us about 1.5 hours to drive to a spot where we started a 45 minute hike crossing a river 3 times to get to the entrance of the cave where we started by swimming into it! It is one of the craziest things I've ever done! Words cannot describe it. Can't wait to show you all the photos and tell you about it.

More to come....
