Dear David,

What a coincidence I was just entering your email address into my computer when your email arrived!

I am now in KL. I managed to get out of London before the Ash cloud closed the airspace.

I am having a series of discussions re The Green Park Group (GPG) when I get back and would be delighted to further our discussions especially as I know you will have spoken to the GURU....

It might be that he and you are the Ghost for me in the up side of this entity.

I am free on Monday 7th from about 1800 in London or RL if either suits you?

Anyway have fun in your bit of Asia....

A
