Rec'd the below from [REDACTED]

Sadly, it isn't going to work. I have an important meeting on Friday that I tried to re-schedule for the following week, but he's away for two weeks come Saturday and then for Thursday evening in the hopes that I could just fly to LSJ on Friday am but they can't do either unfortunately. Please convey to jeffrey and let him know that I tried my best and am really sorry. He asked me to let you know.
