[REDACTED] called to discuss the possibility of having a BBB gathering at your house on Monday Aug. 30<sup>th</sup>. She said it would not be a big event, tops 10-15 people, maybe even less than this. She also said she doesn't think the party must be on this date...she thinks it could be another date if better for you. [REDACTED] did say that Barbro definitely wants the party to be at your house... [REDACTED] is going to talk to Barbro and get back with more specific requests...

[REDACTED] is back in NY and can be reached on her cell at: [REDACTED]
