Hello Jeffrey,
i'm only asking you, because you offered it to me some time ago. After Milano (beg of jume till end of june) i need to move to Prague because i'm gonna start university there and i also have to still model and i just have to live in Prague to be able to make it all work. The thing is, that i cant afford to rent an apartment in Prague. So i want to ask, if there is some way how i could maybe somehow work for you or something and you would help me with that apartment? I really am looking for something small, just to have place to rest my head you know. I wish i could live there so much and now i also kind of have to. I really hope you could help me somehow.
Thank you so much
