Still on the plane – NYC to Seattle. There was yet another delay. At least I can work now during most of flights due to the in-flight internet.

Again – sorry that I need to skip a visit to your ranch. Have several meetings with Bill tmr and every day before I leave for Brazil (Friday - sic!). Next time for sure. Would love to see your ranch.

How is there? Who have been visiting you?

Melanie told me that you two were considering introducing me to Kevin Spacey?

I told her that he would be MUCH better for her (despite of all the facts). I simply do not need/look for a daddy ;)

I am very simple – in some ways similar to you, I guess.

If you are thinking of introducing me (which you always should ;)– just use your logic with some adaptation – hot models (I guess I can go up to 35 for me) are for considerations!

Let's talk tmr!

Boris

Sorry that we did not connect today.

I made just a quick trip to NYC (18h) so I spent nearly more time traveling.

Looking forward to hearing the stories from the ranch!
