I didn't nag , I only asked questions related to your liaisons while I was not here.
And your solution is to continue to do the same, tell me to leave, bring hookers in and the result in two months will be even worse.
This is not going to work.

your reasoning that you feel justified in coming here and nagging me , every day is in your words
because of my behavior for the past month . is ludicrous . i love you .. you were not here for the
exact same reasons i have once again had to ask you to leave..
