I assume you mean eastern. I will call after 6 pm. Nancy arrives at midnight and I got a call at 7 am this morning, after 3 hours of sleep, from my wife saying there was a small flood in the basement and part of the roof over our sunporch is falling off among other things and of course it's all my fault...etc. Good way to get in a romantic mood. Probably will get even better when I get the bills later today. :)
