Hello Jeffrey...

ahhh...couldnt sleep all night.was thinking about how much i wanna come to NY,but no place to stay.

I emailing to all people i know...

I called yesterday to agency to ask about apartment,they gave me one contact,guy wants \$2.500 per month.So expensive,i dont even know how i could give him this money,i can not take it from my english account,its maestro card and it wont give me so much money,but french account,i dont have yet the card.

So stupid i wasnt prepared for NY trip at all! Because i thought that usually the agency taken care of that stuff! But of course now all agencies on holidays ,they didnt even have time,cause my teacket is on Sunday.

Jeffrey please if you have any idea what i can do, please, i want to have another chance in NY!!! I dont know what to do!
