Hello Jeff,

I would like to speak with you about the trafficking charges whirling around you and Brunel.

I'm certain your attorney's are advising you not to speak to media (I am a writer not a journalist as you know). The downside is that you don't have a voice.

public opinion in your case might sway in the direction least favorable to you and will decidedly impact investigations if you don't speak.

no matter how limited that conversation may be it is important at this point that you respond to some allegations being reported almost on a monthly basis.

There is nothing more enticing to the press and to law enforcement than to be able to punish a wealthy man for allegedly committing improper sexual acts against financially deprived minors. No matter who the man is or where the girl comes from, he loses hands down.

find someone you trust and speak to them albeit limited and focus only on the most damaging issues.

You know where to reach me,
