**Subject:** Boeing test flight

Jeffrey,  
I will work on demo schedule with Jeane at Sikorsky today,  
- even if you decide to take Gulfstream later this week, is it approved if I fly the Boeing on a test flight  
Tomorrow? I would like to make sure all systems are good, and exercise the plane before you get on board for  
a flight?  
is this approved?

thank you,

Larry

(feel better)
