Subject: Reschedule LSJ Trip/ Remain in NY

Mr.Epstein I am sorry but I am going to have to rescheduled the planned trip to LSJ this time. I know when I returned home from the hospital and spoke to you I thought I was ready to travel. The prescribed medicine I am taking is going to take a few days for me to adjust to. I will stay and work in New York this week.

I contacted Bill Murphy and discussed this situation and I will communicate with him during the week on the mechanical equipment and communication systems automation.

You were right, I am going to need some extra time to get back to feeling 100%.

Thanks,
Richard
