Subject: G2 type rating \$

Jeffrey,

I spoke to Simuflite in Dallas TX, here are pricing for type ratings for Nadia, they give the disclaimer of high failure rate for Gulfstream type rating, due to complexity of the aircraft and systems.

Gulfstream IIB \$18,900.00 (estimated three week course)
Citarion II \$13,500.00

The whole course can be done in the simulator according to Simuflite,
thank you,
Larry
