Hmm..I have high altitude, high perf, complex and I am used to fast paced :-)  
I would rather do the real deal than just watch. I got a TSA for the. Citation so I think a second application shouldn't take more than a few days.. Isn't there a gulfstream school in Miami?

Simuflight approved you sitting in my class for GII training in Dallas May 24th start date, however they will not let you in the sim during my training, must be a TSA thing, is my guess.  
let me know if you would like to go with me? maybe we can go early and stop by Zorro for a day or two visit?????  
thanks
