About my husbands "business". He lost his job 3 years ago and decided to do same work on his own: it is to resell video cameras that are manufactured in China (These are no brand name cameras). For the past 3 years he made very little sales and no profit at all. There is a tremendous amount of competition and very few people are looking for a no brand items.

My husband is 60 years old and it is very difficult to find a job or to start a new career.

Thank you very much for your consideration.

Bella
